

IF YOU HAVEN'T VOICED YOUR OPPOSITION FOR THE *PROPOSED* LIMESTONE MINING KILN IN DORCHESTER NOW IS THE TIME!

- [Email TCEQ](#) ● [Contact your Legislators](#) ● [Attend the Public Meeting on March 25th](#) ●

*The Dorchester community has long been a peaceful, rural slice of paradise in Grayson County with picturesque countryside dotted with family farms and rooted deep in agricultural history. The proposed Black Mountain Cement facility will FOREVER CHANGE the landscape and quality of life of where we all call home...
Not just in Dorchester, but ALL of Grayson County.*

What is it? *A 600+ acre limestone mining/cement plant DIRECTLY beside and behind First Baptist Church Dorchester on FM 902 – This affects more than a 30-mile radius due to pollution, traffic, water availability and contamination, air quality, and so many other things we love about Grayson County. Research what a Kiln is... You won't like what you see.*

What will it do? *Adversely Impact OUR Health because of Compromised Air and Water Quality due to Chemicals and Dust being BLASTED! Decrease Property Values! Damage OUR Vegetation, Landscape, and Habitats for Livestock and Wildlife! Increase Commercial Traffic! Forever Infringe Upon OUR Property Rights if this Permit is Granted!*

How Do We Protect OUR Way of Life, OUR Family, OUR Property, OUR EVERYTHING?

Log in, Comment, Call, and Come with Your Questions on March 25th at 7 PM.

THIS IS NOT ANOTHER CONCRETE PLANT. BLACK MOUNTAIN WILL BE BLASTING.

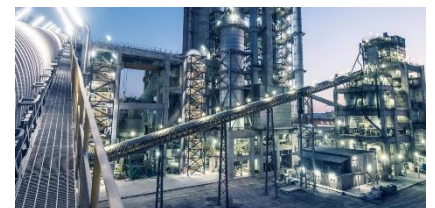

Now is the TIME TO STOP this development, but it will only happen with our UNITED VOICES.

1. Formally **voice your opposition** by visiting:
www14.tceq.texas.gov/epic/eComment/ or by scanning this QR code with your phone camera, and opening the link.
Comment online about pending permit application 167047
